Sir:

The above-identified application is a national phase application of PCT/DK2003/000460 filed July 2, 2003. The PCT application became abandoned as to the United States because the fees and documents required by 35 U.S.C. 371(c) were not filed prior to the deadline for entry into the national stage, i.e., January 2, 2005.

Applicants hereby petitions for revival of this application.

The petition fee is \$1,330.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Please charge the required fee, estimated to be \$1,330.00, to Novozymes North America, Inc., Deposit Account No. 50-1701. A duplicate of this sheet is enclosed.

Respectfully submitted,
